Iron cleanser paste

**AR86**  
Iron cleanser mat

**AR9**  
Iron cleanser stick

**IRONING TABLES**  
Vacuum, heated, blowing

## EFFICIENCY, SAFETY and NOTES

- ✔ **RELIABILITY AND SAFETY** are guaranteed by a **COPPER BOILER**. Copper is an explosion-proof and antiscaling material. The **HEATERS** are placed **externally**, so they **NEVER** come into contact with water.
- ✔ 1 KW power creates a steam flow equal to 1,2 kg/h (20 g/min). **The efficiency of steam is proportional to its flow, not to its pressure.** There is no point in having high pressure and a low flow.
- ✔ The whole **production is based in Italy**, in our plant in Pesaro.

## SPARE PARTS AND SERVICE

- 🕒 **BIEFFE** guarantees the shipping of spare parts, accessories in very short times. Our efficient help line is available for service and assistance.
